Luke 16:19-31

Introduction: How do we understand the craziness in the world around us?

- I. Jesus taught that our self-justification is so strong, that we ignore his ways.
- II. Apart from the Word of God we ignore God's warnings, even if one rises from the dead.
- III. We are often surprised that people might ignore even a resurrected Lord.
- IV. Jesus promised that his grace and power helps us bring all to his ways.
